

Needed:

Children's and Youth Worker LKG Ludwigslust

Goals:

- ✓ build an international evangelistic children's and youth work
- ✓ build and deepen contacts with our fellow citizens
- ✓ plan and offer evangelistic events
- ✓ work alongside and help German volunteers to deepen contacts with migrants
- ✓ encourage and teach a missionary - evangelistic perspective in the church

Great opportunities and challenges!

Qualifications desired:

- ✓ intercultural experience
- ✓ experience in evangelism / discipleship
- ✓ experience with youth and young adults
- ✓ be a team player
- ✓ good German, knowledge of Arabic very useful
- ✓ Medium to long term commitment: 1 + years

Situation:

Ludwigslust is a town in north eastern Germany, the area with a very low density of evangelical believers—below the average of North Korea. Over 1200 or 10 % of the population are migrants or from migrant background.

The small evangelical church with legal but not spiritual ties to the mainly liberal state church has good contact to children and teenagers from German and foreign background through involvement in public schools but they lack the manpower for a regular evangelistic youth ministry.
