Situation:

Christus Gemeinde Oberhausen

Oberhausen is in the industrial Ruhr area with over 200,000 inhabitants. The evangelical-charismatic church community is over 100 years old and located in a residential area surrounded by residential blocks. The average income of the residents in the direct vicinity of the church is below average.

The proportion of migrants in our church is relatively high, more than 50%. It is a very warm, accepting community which has grown noticeably in recent years.

We belong to the Evangelical Alliance in Oberhausen, an association of regional and free church congregations. We are around 90 people, big and small, with the goal of passing on the Gospel of Jesus Christ to as many people as possible and to live credibly as Christians in everyday life.
