

WE NEED YOU IN GERMANY!

Has God called you to be a missionary abroad? Bring the Gospel back to Germany! Bring your gifts, experiences and unique perspective. Help us spread the Good News of God's love among Germans and immigrants.

GOSPEL WORKERS FOR GERMANY

WHY?

- Germany is no longer a Christian country.
- Germans think they have everything they need, but they are spiritually poor.
- Germans are more open to listening to Christians from other countries than to Germans.
- The millions of refugees and immigrants (even those from closed countries) now living in Germany, have great spiritual needs.
